EMPLOYMENT HISTORY

BI Consultant, EY

Jan 2019 — Present

For a diverse set of clients I work at Front-end report development using Power BI. I like to do a comprehensive business analysis before starting a project to achieve the best results.

Data & Pricing analyst , TUI

Rijswijk

Nov 2017 — Dec 2018

As part of a BI team I was responsible for the pricing of flight tickets based on data analysis. As TUI is a data driven organization, I was involved in diverse projects such as automation of purchasing, advising in airline contracting and data visualization.

Student Assistant , UVA

Amsterdam

Jul 2016 — Aug 2017

I was involved in a research project commissioned by the Belastingdienst. My main tasks in this project were the preparation and execution of inter-organizational network analysis.

EDUCATION

Research Master Organization Studies, UVA

Amsterdam

Sep 2015 — Aug 2017

This two-year Research Master's program, which selects a maximum of 30 students per year, focuses on developing strong analytical skills and acquiring hands-on research experience. The program provides a critical understanding of how organizations and people within them behave. Grade average: 7.9.

Summerschool in Big Data Analysis, University of California

Berkeley

2016 — 2016

During this summerschool I learned about the collection, analysis, and utilization of online social big data.

Bachelor in Psychology and Society , UVA

Amsterdam

2011 — 2015

This Bachelor's Program mainly focuses on decision making processes in social, economic and organizational contexts.

- Graduated with *Judicium* 'with distinction'
- Extra curriculum minor in Organization Studies
